

1. Help Us Give Our Kids a Gym of Their Own

★ Greatest Need

Every Child Deserves a Place to Move, Play, and Grow

Right now, our gymnastics program operates in **borrowed spaces**, spread across **three different locations**, with access limited to just **three days per week**. While we are grateful for these opportunities, this limited schedule makes it difficult to serve more families and impossible to save enough to move into a permanent facility.

The demand from our community is there but without a gym of our own, we are limited in how many classes we can offer and how many children we can support.

A permanent gym would allow us to:

- Offer **consistent schedules and more classes**
- Welcome **more children into our program**
- Provide a safe, familiar space where kids can build confidence and skills
- Create long-term stability for our nonprofit

We are raising funds to take the **first steps toward securing a permanent space**, including initial rent, deposits, and move-in costs. Commercial spaces suitable for gymnastics typically range from **\$12,000–\$16,000 per month**, and community support is essential to help us reach this goal.

Your donation helps move us closer to a gym our kids can finally call home.

2. Sponsor a Child Through Gymnastics

Scholarship Fund

Because Every Child Deserves the Chance to Participate

Gymnastics helps children build confidence, strength, coordination and joy, but for some families, the cost makes participation out of reach. Our scholarship fund ensures that **no child is turned away due to financial hardship**, no matter which class is right for them.

Your donation helps provide access to recreational gymnastics classes in a safe, supportive and inclusive environment.

Your Gift Can Make a Real Difference:

- \$100–\$180 sponsors a child for one full 4-week class session
- \$50–\$75 helps cover part of a child's monthly tuition
- Any amount helps a child move, learn, and belong

Whether it supports Baby Stars, Mini Stars, All Stars or Shooting Stars, every gift helps a child participate and thrive.

When you give, you're not just covering tuition; you're giving a child confidence, connection, and a place to grow.

Donate to the Scholarship Fund

Our 4-week class sessions range from \$100–\$180, depending on age and level. Scholarships are applied where the need is greatest.

3. Help Us Purchase a Vault Block

Equipment Fund

Safe Skills Start with the Right Equipment

As our recreational gymnastics program continues to grow, having the right equipment is essential to keeping our athletes safe, confident, and excited to learn. One of our

most important equipment needs is a vault block, a key training tool for teaching vault skills in an age-appropriate and controlled way.

A vault block helps our gymnasts:

- Learn new skills safely and correctly
- Build confidence when trying something new
- Progress at their own pace in a fun, supportive environment

 **Equipment Goal: \$2,375**

Your donation helps us reach our goal and ensures our athletes have the tools they need to train safely and successfully.
